I understand that my Company Sponsored Members have primary responsibility for all club fees and charges in accordance with the ESYCC By-Laws and General Rules. I further understand and accept that my company is jointly responsible for these fees and charges to include, but not limited to: dues, capital improvement and initiation fees (if applicable), annual Food and Beverage Minimum and all monthly usage charges for three or more employee individual memberships. All regular member terms and conditions apply, to include review and acceptance of individual member applications by the ESYCC Board of Directors.

I also understand and accept that I will receive a 25% discount of dues for 3 or more sponsored memberships. These may be in any current resident membership offered. I will submit the individual member applications for those employees to be enrolled in this program. If I am unable to maintain 3 individual members to receive the dues discount, I understand that the remaining employee members will be charged undiscounted dues and fees until such time as we regain 3 or more members.

Former Members of the Club that participate in this plan are subject to the plans fees and charges as listed within the Company Sponsored Membership Program.
